FIRE PREVENTION POSTER CONTEST

The Community Risk Reduction Public Education Fire Prevention Poster Contest is a community outreach program sponsored by the New Jersey Department of Community Affairs-Division of Fire Safety and the New Jersey Fire Prevention and Protection Association.

STATE LEVEL GRAND PRIZES

Each DIVISION winner on the state level will receive a gift certificate representing the value of the cost of a computer/printer for the purchase of an electronic device of the participant's choosing.

Local Level Judging

Each year the contest begins at the local level, sponsored by a fire department/fire organization or the school system. The local fire department or school judges then selects one winning poster from each division. Physical posters must be delivered to the County Coordinator by March 15 of every year.

County Level Judging

The winning posters from each municipality are judged at the county level, selecting one winner from each division. When County judging is completed, the sponsor will see that the winning posters are delivered to NJFPPA by April 15 of every year.

State Level Judging

The winning posters from each county are judged at the state level.
Winners are notified after May 15 each year.

Since 2014 submissions to the Fire Prevention Poster Contest and the Grand Prize winners have been featured as part of the DCA/NJDFS/NJFPPA Fire Prevention Poster Contest Calendar. All posters now become the property of the Contest and the Calendar's major sponsors. Please contact your County Coordinator for your free monthly Fire Prevention Poster Contest Calendar.
